Ernie Stumpf was a counselor and assistant coach for many years at Yuma High School. One of his proudest accomplishments was the many scholarships he helped Yuma graduates achieve. This scholarship is in Mr. Stumpf's memory and as a salute to his service for YHS.

Two scholarships of \$2,500 will be awarded. One for a graduating senior that plans to attend a four-year college/university, and one for a graduating senior that plans to attend a vocational school/technical school.

What are your plans after graduation? Do you have an interest in returning to the Yuma community to pursue your career? Please explain.

What career are you interested in pursuing?

List all school and non-school activities you have been involved in.

What personal characteristics and non-academic accomplishments have you achieved that makes you uniquely worthy of consideration for this scholarship?

What academic and school activities make you uniquely qualified for this scholarship?

Please submit two letters of recommendation with your application.
