ABOUT KAYLEE

Kaylee was born on March 20, 2009 and was a vivacious little girl who loved her family, loved checking cows and helping on the farm, going to school, playing Uno, doing craft projects, and playing with slime. She had a smile that warmed everyone's heart.

Kaylee became a fierce fighter when at the age of 2 she was diagnosed with a cancerous brain tumor. Every day for over 9 years, Kaylee fought with a strength and determination that inspired others. She never complained, never quit; she smiled, laughed, and was full of joy. Kaylee was a light in this world spreading her love and grace to everyone around her.

This scholarship is meant to help carry on the legacy of Kaylee's love for others.
