

File: AC - Nondiscrimination/Equal Opportunity

The YSD-1 Board of Education is committed to providing a safe learning and work environment where all members of the school community are treated with dignity and respect. The schools in the district are subject to all federal and state laws and constitutional provisions prohibiting discrimination on the basis of disability, race, creed, color, sex, sexual orientation, marital status, national origin, religion, ancestry or need for special education services. Accordingly, no otherwise qualified student, employee, applicant for employment, or member of the public may be excluded from participation in, be denied the benefits of, or be subjected to unlawful discrimination under any district program or activity on the basis of disability, race, creed, color, sex, sexual orientation, marital status, national origin, religion, ancestry, or need for special education services. Discrimination against employees and applicants for employment based on age, genetic information, and conditions related to pregnancy or childbirth is also prohibited in accordance with state and/or federal law.

For purposes of this policy, these terms have the following meanings:

- "Race" includes hair texture, hair type, or a protective hairstyle that is commonly or historically associated with race.
- "Protective Hairstyle" includes such hairstyles as braids, locks, twists, tight coils or curls, cornrows, bantu knots, afros, and head wraps.
- "Sexual Orientation" means a person's orientation toward heterosexuality, homosexuality, bisexuality, or transgender status or another person's perception thereof.

This policy and supporting regulation(s) will be used to address all concerns regarding unlawful discrimination and harassment. Alleged conduct regarding sex-based discrimination and sexual harassment will follow the complaint and investigation procedures specific to this conduct.

In keeping with these statements, the following are objectives of this school district:

1. To promote the rights and responsibilities of all individuals as set forth in the state and federal constitutions, pertinent legislation, and applicable judicial interpretations.
2. To encourage positive experiences in terms of human values for children and adults who have differing personal and family characteristics or who come from various socio-economic, racial, and ethnic groups.
3. To consider carefully, in all decisions made which affect the schools, the potential benefits or adverse consequences that those decisions might have on the human relations aspects of all segments of society.
4. To utilize educational experiences to build each individual's pride in the community in which they live.
5. To initiate a process of reviewing all policies and practices of this school district in order to achieve the objectives of this policy to the greatest extent possible.
6. To investigate and resolve promptly any complaints of unlawful discrimination and harassment.
7. To investigate and appropriately discipline staff and students found to be responsible for incidents of harassment or unlawful discrimination in violation of Board policy.

Annual notice

The district will issue a written notice prior to the beginning of each school year that advises students, parents, employees, and the general public that the educational programs, activities, and employment opportunities offered by the district are offered without regard to disability, race, creed, color, sex, sexual orientation, marital status, national origin, religion, ancestry, or need for special education services. With respect to employment practices, the district will also issue written notice that it does not discriminate on the basis of age, genetic information, or conditions related to pregnancy or childbirth. The announcement will also include the name, address, email address, and telephone number of the person(s) designated to coordinate Title IX, Section 504, and ADA compliance activities.

The notice will be disseminated to persons with limited English language skills in the person's own language. It will also be made available to persons who are visually or hearing impaired.

The notice will appear on a continuing basis in all district media containing general information, including: teachers' guides, school publications, the district's website, recruitment materials, application forms, vacancy announcements, student handbooks, school program notices, summer program newsletters, and annual letters to parents.

Harassment is prohibited

Harassment based on a person's disability, race, creed, color, sex, sexual orientation, marital status, national origin, religion, ancestry or need for special education services is a form of discrimination prohibited by state and federal law. Preventing and remedying such harassment in schools is essential to ensure a nondiscriminatory, safe environment in which students can learn, employees can work, and members of the public can access and receive the benefit of district facilities and programs. All such harassment, by district employees, students, and third parties, is strictly prohibited.

All district employees and students share the responsibility to ensure that harassment does not occur at any district school, on any district property, at any district or school-sanctioned activity or event, or off school property when such conduct has a nexus to the school, or any district curricular or non-curricular activity or event.

For purposes of this policy, harassment is any unwelcome, hostile and offensive verbal, written or physical conduct based on or directed at a person's race, color, national origin, ancestry, creed, religion, sex, sexual orientation, disability or need for special education services that: (1) results in physical, emotional or mental harm, or damage to property; (2) is sufficiently severe, persistent, or pervasive that it interferes with an individual's ability to participate in or benefit from an educational program or activity or creates an intimidating, hostile or threatening environment; or (3) substantially disrupts the orderly operation of the school. Board policy on sexual harassment (GBAA for employees and JBB* for students) shall apply to complaints alleging sexual harassment.

Harassing conduct may take many forms, including but not limited to:

1. verbal acts and name-calling;
2. graphic depictions and written statements, which may include use of cell phones or the Internet; and
3. other conduct that may be physically threatening, harmful or humiliating.

Certain forms of sexual harassment are specifically addressed by Title IX. Sexual harassment prohibited by Title IX means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditions the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity;
3. "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34

U.S.C. 12291(a)(30).

The district will implement specific procedures consistent with the requirements of Title IX, including a Title IX Sexual Harassment Grievance Process.

Reporting unlawful discrimination and harassment

Any student who believes they have been a target of unlawful discrimination or harassment, as defined in Board policy and supporting regulations, or who has witnessed such unlawful discrimination or harassment, must immediately report it to an administrator, counselor, teacher, or the district's compliance officer (identified in Exhibit AC-E-1) and file a report as set forth in the regulation which accompanies this policy.

Any employee, applicant for employment, or member of the public who believes they have been a target of unlawful discrimination or harassment, or who has witnessed such unlawful discrimination or harassment, must file a complaint with either an immediate supervisor or the district's compliance officer.

If the designated compliance officer is alleged to have engaged in prohibited conduct, an alternate compliance officer will be designated to investigate the matter in accordance with this policy's accompanying regulation.

District action

All district employees who witness unlawful discrimination or harassment must take prompt and effective action to stop it, as prescribed by the district.

The district will take appropriate action to promptly and impartially investigate allegations of unlawful discrimination and harassment, to end unlawful behavior, to prevent the recurrence of such behavior, and to prevent retaliation against the individual(s) who files the complaint and/or any person who participates in the investigation. When appropriate, the district will take interim measures during the investigation to protect against further unlawful discrimination, harassment, or retaliation.

To the extent possible, all reports of unlawful discrimination or harassment will be kept confidential. Students or employees who knowingly file false complaints or give false statements in an investigation may be subject to discipline, up to and including suspension/expulsion for students and termination of employment. No student, employee, or member of the public may be subject to adverse treatment in retaliation for any good faith report of harassment under this policy.

Upon determining that incidents of unlawful discrimination or harassment are occurring in particular district settings or activities, the district will implement measures designed to remedy the problem in those areas or activities.

Any student or employee who engages in unlawful discrimination or harassment will be disciplined according to applicable Board policies and the district will take reasonable action to restore lost educational or employment opportunities to the target(s)

In cases involving potential criminal conduct, the district will determine whether appropriate law enforcement officials should be notified.

Notice and training

To reduce unlawful discrimination and harassment and ensure a respectful school environment, the administration is responsible for providing notice of this policy to all district schools and departments. The policy and complaint process must be prominently posted on the district's website, referenced in student and employee handbooks and made otherwise available to all students, staff, and members of the public through electronic or hard-copy distribution. Training materials regarding sexual harassment under Title IX are available to the public on the district's website.

Students and district employees will receive periodic training related to recognizing and preventing unlawful discrimination and harassment. District employees must receive additional training related to handling reports of unlawful discrimination and harassment. The training will include, but not be limited

to:

- awareness of groups protected under state and federal law and/or targeted groups;
- how to recognize and react to unlawful discrimination and harassment; and
- proven harassment prevention strategies.
